

Water Level Meters

Keck TUFF TAPE™ Water Level Meter

The TUFF TAPE™ is a rugged water level measuring instrument designed for tough drilling applications in the water well industry. It is mounted on a durable storage reel, and has a highly visible 2-conductor cable marked in increments to 1/100th of a foot (3.05mm).

FEATURES

- Light weight, damage resistant storage reel for easy transportation and durability in the field
- Non-stretch tape has Stainless Steel conductor wire and field replaceable probe assembly
- Stainless Steel, 5/8" O.D. weighted probe
- Audible and visible indicators activated when the probe contacts water
- Adjustable sensitivity to prevent false triggering
- Water resistant design
- “Quick change” battery pocket with automatic battery test signal
- Includes a tape guide to prevent damage in rugged field conditions

SPECIFICATIONS

Size:	Reel	15" H x 11" W x 9" D
	Probe	5/8" O.D x 7 3/4" L
Length/Weight:		300 foot / = 16 lbs 500 foot / = 20 lbs 750 foot / = 24 lbs 1000 foot / = 28 lbs
Accuracy:		400th of a foot / 100'
Material:	Reel	Steel and Aluminum
	Tape	Polyethylene Cable
	Probe	Teflon® and Stainless Steel
Power:		9 Volt DC
Alarm:		Audible and Visual
Warranty:		1 year
